attractive premiums for
children

Dental Care Insurance

Supplementary Insurance

Dental Care Insurance comes with different benefit options. This way, you can choose the insurance protection that best corresponds to your personal situation.

Dental Care Insurance offers comprehensive insurance cover at all ages. For children up to their fifth birthday, simplified enrolment is possible without answering any health questions.

Dental Care Insurance range of benefits

- Dental checks
- Periodontal treatments
- Dental prosthetics such as bridges, dentures
- Orthodontics such as braces, teeth correction
- Dental hygiene
- Tooth extractions (including wisdom teeth)
- Cavity treatments

There are four options with different cost coverage available to select from:

Option	Insurance benefits per calendar year	Premiums per month in CHF		
		0–15 years	16–20 years	From 21 years
1	50% of the dental invoice, max. CHF 500	11.80	22.70	26.90
2	50% of the dental invoice, max. CHF 1,000	15.70	33.90	41.60
3	75% of the dental invoice, max. CHF 1,500	22.20	47.80	61.20
4	75% of the dental invoice, max. CHF 2,000	26.20	55.40	81.90

Entitlement to benefits begins after a waiting period of six months from the start of the insurance for general dental treatments or 12 months for dental prosthetics and orthodontics. The date of the start of treatment is decisive.
