Dental Care Insurance

Supplementary Insurance

Dental Care Insurance comes with different benefit options. This way, the insurance protection can be adjusted to the personal situation.

With Dental Care Insurance, both children and adults up to the age of 65 can benefit from comprehensive protection. No dental health assessment is required for children who have not yet reached their 5th birthday.

Dental Care Insurance range of benefits

- Check-ups
- Conservation treatments
- Dental prosthetics
- Orthodontics

There are four options with different benefits available to select from per calendar year:

Option	Insurance Benefits per Calendar Year	Premiums per Month in CHF		
		0–15 years	16–20 years	21–65 years
1	50% of the dental invoice, max. CHF 500	11.80	22.70	26.90
2	50% of the dental invoice, max. CHF 1,000	15.70	33.90	41.60
3	75% of the dental invoice, max. CHF 1,500	22.20	47.80	61.20
4	75% of the dental invoice, max. CHF 2,000	26.20	55.40	81.90

Entitlement to benefits begins after a waiting period of six months after the start of the insurance for general dental treatments or 12 months for dental prosthetics and orthodontics. The date when the treatment begins is decisive.
