

DIVERSA^{premium}, DIVERSA^{care} Childcare

What to do when your child is sick or injured and you must go to work? With the supplementary insurances DIVERSA^{premium} or DIVERSA^{care}, you benefit by having childcare organised and partly financed.

If your child is sick or has an accident, CONCORDIA immediately procures an experienced caregiver who will take care of your small patient affectionately and in a professional manner.

Your child in good hands

If working parents are unable to find a person that they can trust for the care of their child, CONCORDIA procures a professional caregiver. This caregiver will care for your child at home in your child's familiar surroundings.

Have all the prerequisites been met?

- The child is sick or injured; you do not need a medical certificate or an accident report.
- The child is at least four years old, but younger than twelve years old.
- One parent is away because of work and therefore dependent on support.
- The parent making the claim is insured with DIVERSA^{premium} or DIVERSA^{care}.

How are the costs settled?

- Organisation provided free of charge by CONCORDIA
- Cost of care: CHF 55/hour
CONCORDIA remunerates the following amounts:
 - DIVERSA^{premium} CHF 50/hour, max. CHF 600/year*
 - DIVERSA^{care} CHF 30/hour, max. CHF 600/year*
- No offsetting of travel costs

* If the CHF 600 per year has been reached, you can continue to use the service if the criteria mentioned above have been met. The organisation is provided free of charge. There is no other co-financing on the part of CONCORDIA for the care costs. The hourly rate for the care remained unchanged at CHF 55. The term 'year' is intended to mean the calendar year.

Who will care for my child?

Familienhilfe Liechtenstein e.V. is the largest professional provider of outpatient care and nursing in the Principality of Liechtenstein. The employees are highly qualified and perform this care service throughout Liechtenstein.
